

June 25, 2010

To: All McKesson Members

Dear Member:

Re: Upcoming Strike

Please be advised that the Union has served strike notice on McKesson Canada to commence legal strike action on **Monday, June 28th, 2010 at 1:00 p.m.**

Any employees that are at work at this time should leave the warehouse and report to the registration table (registration is required to be eligible for strike pay) that will be set up outside your respective warehouses at 1:00 p.m. (NOTE: this is not abandoning your employment—this is legal strike action).

All employees that are not at work at the time the strike begins, we ask that you show up to the picket line in order to register to be eligible for strike pay, at what would be your regular start time that you would normally report for work.

Should you have any questions or concerns, please reserve your questions for the Union Representatives that will be at the registration areas.

Sincerely,

Don Crisall
Union Representative
UFCW Local 401 – Edmonton
