

CLC “RETIREMENT SECURITY FOR EVERYONE” PENSION CAMPAIGN

UFCW Local 401 is in support of the Canadian Labour Congress' campaign to double CPP benefits while only raising contributions by 2.85% over seven years. UFCW Canada has started an internet campaign for members to show their support of the plan.

By going to www.ufcw.ca/retirementsecurity, you can send a letter to your provincial Minister of Finance asking them to act now to ensure that improvements to the Canada pension plan are a priority. The letter will automatically be sent to the Premier of your province and to Federal Finance Minister Jim Flaherty.

UFCW Local 401 encourages you to visit this website and have your voice heard. By improving the Canada Pension Plan, we can dramatically improve the retirement security of all Canadians.

Please visit this link below to join the campaign on Facebook.
