

NEW SHOP STEWARD NEWS AVAILABLE

Local 401 is in the process of developing and distributing a new e-zine for its shop stewards. An e-zine is essentially an email that is intended to provide current information like a magazine.

The distribution of this e-zine is, of course, dependant upon your local union being in possession of your current e-mail address. If you are a shop steward and you have not yet provided the union with your e-mail address or you have not kept your e-mail address up to date with, us please contact us immediately with the relevant information to ensure that you can receive our new e-zine.

In addition, if you have any questions, comments or suggestions regarding the e-zine, please contact education representative Cam Sherk at 403-291-1047.

Have a look at the latest steward's e-zine update:
